

SERIES CREDENTIALS CHECK LIST

AREA Tournament: _____ STATE Tournament: _____

AGE GROUP: _____

TEAM NAME: _____

LEAGUE: _____

This document to go with the team's credentials.

The Commissioner (Area, State or Regional) in charge of the Series or his appointed delegate must check the following documents before they allow any team to play. Under no circumstances are they to waiver any of these requirements and let a team or player participate until all documents are in proper order.

1. Commissioner's Letter of Eligibility. This form must be signed and with the tournament credentials.
2. Completed Tournament Team Roster.
3. Birth Documents as specified in the Babe Ruth Rules and Regulations. **Notarized copies are NOT acceptable.
4. Coaches Certification card or proof of certification program completion by all coaches listed on official roster.
5. Babe Ruth / Cal Ripken & WNC baseball patches must displayed on uniforms.
6. Copy of the Accident Insurance Policy covering the team. There must be a policy with the credentials, not just the name of the company coverage is with, and a policy number.
7. Copy of the Liability Insurance Policy covering the league. There must be a policy with the credentials, not just the name of the company coverage is with, and a policy number.
8. Signatures of League President and District/Area Commissioners as Champions.
9. Consent for treatment forms (4 copies) Starting at State Series.
10. Copy of regular season roster with Players & Coaches hi-lighted.
11. Team pictures (4) with Players & Coaches Identified Starting at Area Tournament. Team manager is required to mail or email one picture with players identified to State host, see website for address'. Keeping 3 pictures to accompany team credentials to state tournament

I have checked the tournament credentials referred to above and have found them to all be in order. By signing my signature below I am certifying them to be eligible and allowing them to play in the Series shown above.
